

# Travel with a Heart

Combining the joy of travel with the joy of giving in a sustainable way.

**A**s a responsible corporate citizen, Inspiration India has set up and funds the Incentive Foundation. The foundation has worked in villages in India and Nepal over the past few years in helping improve healthcare, education and drinking water facilities.

The sustainable way to development means working as a team.

Children in Lamaswara, Nepal, get new bags packed with books, stationery and warm clothing

The school students welcome visitors in Samode

New furniture in place with the blackboard waiting to go up

The village health centre at Bhandwari

Laying the foundation of the health centre together
